Explanation of changes and other important information

Based on this assessment, you have unused federal tuition, education, and textbook amounts of \$15,902 that you can carry forward to later years. To make sure we calculate your unused amounts correctly, you need to file a return each year, even if you have no income to report.

We will automatically calculate your goods and services tax/harmonized sales tax credit and any related provincial credit based on your family net income, province of residence, marital status, and qualified children. If you qualify for any credit for July 2025 to June 2026, we will let you know in July.
